II. Reports Motion by David Kedelty 2nd by Julia Yazzie

a. David Tsosie; Good evening comrades ive been to 2 meetings first one was the Agency Council meeting in Blue Gap. There was no planning for veterans activities or there were a few people that I had not seen in a while. The meeting was good and Edsel Pete was there, he made a report about the Veterans Act, he said it was almost complete and ready for council to vote upon. I also went to the Veterans Legal seminar at CCC last week. It was for Veteran with legal problems and questions, there was not to many Veterans there. It was put on by DNA Legal Services and if you didn't make it there you can always go to any DNA office for help or questions. The other meeting I went to is the CNVO agency meeting at Chinle Chapter. We talked about the of operation nation wide and how to revise the problem. The money from the Trust Fund that we have to do our own budget and give it to the DNVA to implement.

b. Andrick Bahe ABSENT.

c. Willis Becenti Good evening everyone it is good to see you all here. Tonight we have to approve our Officers, our line item budget and other things in order to start receiving our Trust Funds to be used by you Veterans. I went to the CNVO meeting only this month. We the Veterans are having a lot of problems with the Chapters in the Chinle Agency. The Chapters are writing the plan of operation for the Veteran Organization to follow. The problem seems to be the policy is designed to be in the control of the Chapter officials and the money allocated at the Chapter meeting not the Veterans meetings. We , the Tsaile Veterans Organization has a good system and plan of operation to work under with the Chapter and Chinle with the trust Fund. It all starts here at the Veterans meetings. Fill out your request forms but they won't be processed until the Chapter resolution is done and filed with DNVA office , so be at the Chapter meeting the 19th at @pm. Thank you.

d. Roy Anagal; I have no report except that it is muddy at my place and my house has not been started yet. Thank you all for tonight.

e. David Kedelty I have no report.
