The Chuska Health Council or CHC is a local coalition established to empower communities to improve health and quality of life through community health needs assessments, cross training and other mitigations while fostering a reciprocal partnership at the local level.

<b>Our Mission</b>	To serve as a collective advocate to maximize all available resources, and to initiate community led projects while preserving the dignity, self-respect, and cultural aspect of our people.
<b>Our Vision</b>	To improve the holistic health and quality of life through collaborative expertise.
<b>Our Members</b>	Membership extends to everyone with an interest to serve as local champions, health advocates, and desire to support healthy and positive community initiatives and projects.
<b>Our Role</b>	<ul style="list-style-type: none"> <li>•To form and strengthen community partnerships</li> <li>•To avoid the duplication of program services</li> <li>•To identify local strengths and resources to build upon</li> <li>•To effectively address community health concerns</li> <li>•To gather data/information about our local health</li> <li>•To review and analyze this data and prioritize issues</li> </ul>
<b>Our Work</b>	<ul style="list-style-type: none"> <li>• Ongoing recruitment of diverse members within the Chuska region</li> <li>• Finalize CHC By-Laws</li> <li>• Elect and Appoint Officers (i.e. Chairperson, Vice-Chairperson, and Secretary)</li> <li>• Create a brochure for dissemination purposes</li> </ul>
